## SCHOLARSHIP INFORMATION FORM UNIVERSITY / COLLEGE

The California Homebuilding Foundation (CHF) works with over 60 colleges and universities in California that offer and provide degree programs promoting the homebuilding industry. The required information below will help us to record and report to our benefactors' students who are receiving scholarship grants from CHF endowments and are completing their degrees toward future employment within the building industry.

### ABOUT CHF

The California Homebuilding Foundation (CHF) is the research and education center for California's homebuilding and construction industries. Founded in 1978 through the California Building Industry Association (CBIA), the Foundation serves the homebuilding industry by providing scholarships, research, educational and professional development programs. It is the presenter of California homebuilding industry's top award, Hall of Fame.

**Please return the following required information with this form:**

- Student transcripts or school affidavit of students qualifications
- Student scholarship request letter(s) i.e. A note from the student describing how receiving this scholarship will help him/her meet their educational goals
- Check disbursement process
